Fee Waiver for Triple Step Toward the Cure's "Seventh Annual Stepping Toward the Cure 5K Fun Run and Walk"

Since 2010, Triple Step Toward the Cure has raised awareness about triple negative breast cancer, an often deadly breast cancer subtype that disproportionately impacts young women (ages 21-40) and women of color. Triple Step Toward the Cure will hold their signature fundraising event, the "Seventh Annual Stepping Toward the Cure 5K Fun Run and Walk" at Alondra Park on Saturday, October 22, 2016. Proceeds raised from the event will support their Community Resource Program, which provides financial assistance and resource referrals to women battling this aggressive disease.

I THEREFORE MOVE THAT THE BOARD OF SUPERVISORS:

Waive the facility fees in the amount of \$1,075, excluding the cost of liability insurance, for Triple Step Toward the Cure's "Seventh Annual Stepping Toward the Cure 5K Fun Run and Walk" at Alondra Park on Saturday, October 22, 2016.
